

AYZRE™

HANDS-FREE DOOR OPENER

Cylindrical Lever Lock Series

Powder coated black, anti-microbial

Model #	Description
AYP-C-676AM	Set of 2 hands free door openers
AYL-C-676AM	Use on one side of door, Left hinge
AYR-C-676AM	Use on one side of door, Right hinge

Note:

- Designed for use with Grade 1 Cylindrical Levers
- Adapters/spacers provided for different lever designs
- Use a single or combination of adapters/spacers
- There may be some lever designs which are incompatible with Ayzre™

Ayzre™ may be used with Mortise levers and exit device trim, however not as universally as cylindrical locks.

Order AYL-C-676AM or AYR-C-676AM for use with exit device trim.

Use a combination of spacers (not a single one) with regular levers. 4 spacers are provided for each Ayzre™.
